

## Have You Found It?: The Straight and Narrow Path

At age 85 and having buried himself in the King James Bible since his rebirth and baptism with the Holy Ghost in January of 1968. Charles (Wes) Bush is certainly qualified to share his views on the forthcoming 1000 year reign of Jesus Christ, as well as the Mark of the Beast and the Great Tribulation in general. Early in his studies Wes was invited to record John Osteens first convention at Lakewood Church in Houston, Texas, where he encountered a demoniac who was tearing at his clothes and screaming obscenities so loudly that everyone left the sanctuary, leaving Wes alone and wondering what to do. Just as the scripture teaches, God took control and using Wes voice, began quoting one scripture after another. Wes testimony of this event will excite and educate all who read it. This event caused Wes to write the book, On Evil And Unclean Spirits. It was subsequently published by Christ For The Nations in Dallas, Texas and used by them for several years as a text book. The books in this anthology are extremely up to date and vital for this age. The reader will quickly realize that Wes viewpoint on these subjects reach beyond normal pulpit Gospel; but, are certainly Gospel, none the less. Read and allow the Holy Ghost to be the judge of the doctrines presented.
