

## Disappeared (Alias)

A crumbling Gothic mansion on a craggy Scottish isle. A secret meeting among the world's most powerful underground organizations. And lots of bad blood. Sydney is sent by SD-6 to pose as the heiress of a former ruling family of Romania now mixed up in the black market. Except instead of collecting intelligence, something goes very wrong. One by one people end up disappearing. Gone. Vanished. When someone is found, they're dead. Will Sydney be the prime suspect . . . or the newest victim?
