His writing is smooth, passionate, engaged, and has a certain craft of storytelling that is not commonly seen in this genre of writing. Push Neveda ~ The Urban Book Source Minton does a fairly good job of titillating our senses with vivid imagery, sensual smells, and candid observations, bringing the reader into the fold of the moment. I especially appreciate his ability to provide us with almost 3-D like descriptions of place, space, and time. Push Neveda ~ The Urban Book Source by their FRUITS Joshua Curry is a broker on Wall St. who hangs out with the biggest drug dealer in Brooklyn, Kasiem Davis. Joshua has a reputation on the streets of a drug dealer, but nothing could be further from the truth. To keep balance in his life he finds the support of his best friend, Moses Miller, who is a Christian and youth leader at his church. Joshua's father died in front of him at 9 years old and Moses made a pact with him to always have his back. He kept that promise until tragedy strikes again under the most unusual circumstances. Joshua now stands alone with a decision to make. To move forward on the streets where even Kasiem realizes that the expiration date is nearing or go back to the church where he can continue his best friend's work. By Their Fruits tells the story of finding your place in the world and understanding who you truly are.
