

The Boomerang Approach: Return to Purpose, Ignite Your Passion: A Straightforward Approach to Align Your Career with What You Care About

The Boomerang Approach helps maximize your strengths and reduce your risks as you make your career transition. Reiner Lomb integrates empowering research and best practices in a process of self-discovery that helps you define, test, and transition to an energizing new role that's aligned with who you are and what you care about. Do you:

- feel stuck in your career with no enthusiasm for your work?
- wonder what you will do after retirement or what your legacy will be?
- long to align your work with the issues you care about most?
- hesitate to change your career because you fear starting over, financial risk, or losing professional status?

The Boomerang Approach offers tools to conquer these issues and transition successfully to an energizing career rich with personal meaning.
