

Crimes By Women #1: Women Crime Stories From The Golden Age

Crimes By Women #1 Featuring: Bonnie Parker, Queen of the Gun Molls! A True Crime Story Women have been portrayed in comic books since the mediums beginning, with their portrayals always the subject of controversy. Sociologists with an interest in gender roles and stereotyping have outlined the role of all women as both supporting characters and as potential leaders trying with no success to be accepted as equals. Another point of study has been the depiction of women in comics, in which, as in other forms of popular culture, body types are unrealistically portrayed. You can enjoy again - or for the first time - Crimes By Women #1 with this public domain reprint from Golden Age Reprints. Check out the full line - new titles every week!
