

Wanted Comics #43: Adventures of Law and Order from the Golden Age

WANTED Comics #43 - TRUE CRIME CASES FROM POLICE FILES! The history of crime is filled with brutal killers, but few have matched the cold-blooded ruthlessness of the De Autremont brothers, who wrote a savage page in crimes saga - and almost eluded the law, only to be tracked down like wild beasts by the implacable agents of the F.B.I. after four years..... The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
