

Amethyst Hoop Earrings Beading & Jewelry Making Tutorial Series I66

Lets learn to form another shape with the Cubic Right Angle Weave! Commonly used to create shapes is Peyote Stitch but with Cubic Right Angle Weave is it also possible and versatile as the Peyote Stitch. The hoop earrings when created is sturdy and by playing with you imagination, you can embellish it different ways! The tutorial is catered for confident beginners who already knows basic Right Angle Weave, Cubic Right Angle Weave and Peyote Stitch. It has written instructions and ultra-clear, close-up photos at each step. Additionally, you can ask me question you have on the tutorial. No more getting stuck and frustrated on a confusing or just plain inaccurate pattern. If you followed this tutorial and then sell the accessory or jewelry, please give credit to the author or DIY Beading Club.com
