

Captain Stupendous

Captain Stupendous is having a bad... life. His ex-wife, Mrs. Mind, is marrying a mortal. His eldest son, Kid Liberty, may be gay. His daughter, Tesla Curl, cant get a date to the prom. And, his mortal middle child... whats-his-name... is, well, mortal. Over the course of a very long day-and-a-half, Captain Stupendous attempts to fix his daughters problems, work things out with the son he cares about, and do whatever he can to prevent Mrs. Mind (soon to be Mrs. Mind-Meriweather) from being happy without him.
