

Dream Angel: Kidnapped (Sample Book 1)

Dream Angel #1 is a treasure especially to those who love a good, exciting story. To quote a review: If you love Batman, Thor and Street Fighter, then this book is for you. A young woman is thrust into the battle of her life as she learns her retired wrestling legend father has been kidnapped. Can she defeat Nyxus, her five Keres, her swarms of Reprobates, harpies and vampires to rescue him? Join Dream Angel as she fights to protect her home world of South Bartin City and save her father! Mile-a-minute excitement just waiting to be enjoyed! Immersive, fascinating, interesting, fun, witty, delightful. There are dozens of ways to describe these books and their full-color digitally rendered pages. This is a series designed for all ages, so you won't find blood, extreme violence, sex or swearing in it. Yes, there is some fighting, but nothing over-the-top violent. You won't find fighting for the sake of fighting, either. There's fighting, yes, but there's a reason behind it and usually a few jokes to counter it and make it more fun and enjoyable.
