

## GOODCOPBADCOP: CASEBOOK#2

Winner of the 2014 True Believers/Eagle Award for Best British Comic-book. The second book in Jim Alexander's graphic novel series is a modern crime twist on Jekyll and Hyde, where the Good Cop and the Bad Cop are the same person. The battle of wills intensifies as Detective Inspector Brian Fishers' relationship with the police force and the criminal underworld spins dangerously out of control. Can the Good Cop survive when the Bad Cop wants to drag him deeper and deeper?
