

# Hell Is Not In the Bible: The Hell Mistranslation, the Eternal Mistranslation, & Gods Ultimate Plan Revealed In the Accurately Translated Bible

Its high time for modern Christians to discard pagan ideas about the afterlife inherited from Middle Ages Catholicism, and return to how the early church and the native Greek-speaking early church fathers thought about Gods ultimate plan for mankind! When we translate a few key words in the Bible accurately, and make the same assumptions Godly people in Bible days made about a few key issues, dozens of logical and philosophical problems regarding God and the Bible are solved instantly and effortlessly, and Gods long-term plan for mankind makes perfect sense to the heart and mind. - The author

It may shock you to learn that literal, accuracy focused English Bible versions like The Concordant Version and Youngs Literal Translation do not contain the word hell or phrases like eternal punishment or forever and ever, because they are not found in the original language Greek and Hebrew manuscripts. Many of the popular, loosely translated and readability focused English Bible versions badly mistranslate a few key words according to traditional, pagan-originated ideas about the afterlife inherited from Middle Ages Catholicism instead of translating them according to the literal meaning of the underlying Greek and Hebrew words. These blatant mistranslations cause massive confusion about what happens to human beings at death and Gods ultimate plan for humanity as revealed in the Bible. Hell Is Not In the Bible unravels that confusion, explaining how to translate these key words accurately so we can discover what the Bible really says about Gods plan for mankind and return to the beliefs of the early church on this subject. In Hell Is Not In the Bible you will learn: \* How several separate and distinct Greek and Hebrew words, none of which mean hell as we understand it today, are sometimes mistranslated as the single English word hell in our English Bibles because of a tradition that originated in

paganism \* Another extremely important word that is always a mistranslation when you see it in an English Bible; and how the underlying Greek word actually means the opposite of what you read in some English Bibles, causing tremendous confusion about Gods plan for mankind \* The simple reason why many modern translators mistranslate these key words so often, despite the fact that they are intelligent and well educated \* Gods purpose and plan for several distinct ages of human history, and why it is hidden from the view of English-speaking Bible readers by the repeated mistranslation of an important Greek word in many English Bibles \* The logical reason why God is allowing significant pain and suffering in this age, and how everything God has done and will do throughout the course of history can be easily understood by any loving parent \* The astoundingly simple solution to the predestination dilemma, and why the early church and native Greek speaking early church fathers did not even have a predestination dilemma! and much more.

TABLE OF CONTENTS:

Chapter 1 Leftover Paganism In the Church Chapter 2 3 Greek Words, 1 Hebrew Word, No Hell Chapter 3 The Eternal Mistranslation Chapter 4 Soul, Spirit, and What Really Happens When You Die Chapter 5 The Physical Lake of Fire Chapter 6 Gods Ultimate Plan For Humanity Revealed In the Accurately Translated Bible Chapter 7 The 5 Ages of Human History: Gods Educational Plan For Mankind Chapter 8 Why God Planned the 5 Ages the Way He Did Chapter 9 Pauls Pause and What The Kingdom of God Really Is Chapter 10 5 Keys To Understanding the Parable of Lazarus and the Rich Man the Way Godly People In Bible Days Understood It Chapter 11 10 Difficult Questions About God & the Bible That Are Answered Effortlessly By the Information In This Book Chapter 12 10 Unique Characteristics of a Worldview Based On the Accuratel
