

We are always manifesting- so why dont we manifest something better? The world is made of energy, and your own energy field determines the things, people and experiences in your life. Better energy- better life. The trick is to know how to use your energy to manifest the life you want. This book is here to tell you how to doo just that. Youll learn: -How your energy shapes the world around you -How to improve your energy and your life. -Manifesting what you want, not what you dont want. -About resistance and how to stop fighting yourself. -A treasure trove of manifestation methods to meet your needs and preferences. -How simple it is to include manifestation in your life. Are you manifesting the life of your dreams? This book will show you how.
