

Life and Works of Orlo Jay Hamlin (1803-1880) (Classic Reprint)

Excerpt from Life and Works of Orlo Jay Hamlin (1803-1880)Orlo Jay Hamlin, the subject of this volume, was a man of unusual mental power. His early career, from his own pen, is conscientiously set forth in this volume with as much accuracy as has been in the editors power to give. The reader will note his strong and never-ending desire to better his own and the lives and conditions of those who knew him. The way he set about to study law as a step to his greater success indexes the sturdiness of his will, and the giant, undaunted spirit he showed in all his life-long efforts. His simple sketch of his early life proves that his temperament was modest and sensitive. Reason and justice governed all the aims and relations in the life of this lofty and ennobling man whose spirit and brain kept him steadily working on problems of life, and of local, state and national interests. During his short-period of physical strength he accomplished much, and then came the cruel thirty years epoch of invalidism, throughout which he kept up a ceaseless study of laws, languages and customs; such heroism manifested on a sick bed marks him as an unusual intellectual and spiritual character. While he was ill of nervous prostration and tormented by all the characteristics attendant upon such a sickness, he lived in the highest thoughts, wrote poems, axioms, reminiscences, political speeches, scientific articles and translated French and German. About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page,

may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
