

## A Pep Talk on Excellence

It is a pity that the children of Satan appreciate spiritual things more than the heirs of salvation. I feel bad when I notice Christian scholars who do not understand that scholarship is spiritual. Books are spiritual, and only spiritual people can go far in the scholarship world. Whether you believe it or not, unless the devil gives you understanding, you cannot understand occultic books and secrets. My friends, there are better laboratories and libraries in the other world.
