

Shygirl #2: A Cinematic Graphic Novel (v. 2)

Airboard-riding ShyGirl returns in the second installment of her time-tripping, mind-bending saga. The evil gnome Brigandi has stolen genius inventor Warren Havermeyers VR-Squared device, as part of Vanessa Largos scheme to travel to the Nexus, where she will morph into a hybrid being with the power to dominate mankind. With the clock ticking down before she must return to the future, will Shy be able to foil Largos master plan, while falling madly in love for the first time?
