

The Wife Management Book: The Husbands Guide to Having a Happy Wife

What is a wife? What does she mean to you? What does she do for you? What part does she play in the life of her husband? How do you strive to manage her expectations and life goals? Your wife fulfils many roles within a marriage. Not every relationship is the same, of course, and certainly not every wife is the same. We have different expectations according to specific needs and perform different tasks which fit in with our diverse lifestyles. But at the centre of all of that is basic human needs. The need to keep things fresh and honest. When the initial fire of first love diminishes with time it is important to know how to reignite it and provide the things which are the key to maintaining a strong and healthy marriage. Adele Chan now gives you that information, along with a proven system which will keep your wife happy in, *The Wife Management Book: The Husbands Guide to Having a Happy Wife*. Inside these pages will be the answers you have been seeking, and by following her step-by-step guide you can find real and lasting happiness for your wife and for you. Read it today and start the rest of your life now.
