

Two Discourses of the Objects, Pleasures, and Advantages: I. Of Science; II. Of Political Science (Classic Reprint)

Excerpt from Two Discourses of the Objects, Pleasures, and Advantages: I. Of Science; II. Of Political Science
The Discourse of the Objects, Pleasures, and Advantages of Science, was originally published as the Introductory Treatise to the Library of Useful Knowledge. It was the first step in that remarkable advance in the Instruction of the People, by the means of cheap books, which was commenced by the Society for the Diffusion of Useful Knowledge nearly twenty years ago. The Discourse of the Objects, Pleasures, and Advantages of Political Knowledge was published at a later period as the Introductory Treatise to Lord Brougham's Political Philosophy. Both Discourses are reprinted in this Volume by permission of the noble author, under an arrangement with the Society for the Diffusion of Useful Knowledge as to the Copyright of each.
