

## Until Death Do Us Part, Vol. 2

Protecting Haruka from Ex Solid has gotten Mamoru involved in an even more sinister plot, organized by the terrorist group known as the Plunderers. The swordsmans reckless tactics generate results, but they have also attracted the attention of the terrorists leader, Edge Turus. Mamorus allies in the Wall and the very people who hired him begin to fear that Mamorus methods are too extreme and could endanger those around him, including Haruka herself. Meanwhile, the police are connecting the dots between Harukas abduction and the recent string of attacks. As they and Edge close in, it may only be a matter of time before Mamoru has nowhere to run!
